No such suspension or revocation of a certificate or refusal to register shall be permitted until at such time as a hearing is held and the person affected given the opportunity to answer the charges that may have been filed against him with the Board.

Sec. 9. Deposit of Fees. Sec. 12. Exemptions. Those persons such as Physicians, Dentists, Engineers, and Doctors of Veterinary Medicine, who are duly licensed by another official State Licensing agency, who by nature of their employment or duties might be construed to come under the provisions of this Act, shall be exempt from the provisions of this Act.

Sec. 13. Offenses. After six (6) months from the effective date of this Act, no person engaging or offering to engage in work in the field of sanitation, in this State shall represent himself to be a sanitarian, or use any title containing the word "sanitarian," unless he is a registrant in good standing with the Board, either as a registered professional sanitarian or as a sanitarian in training. Any person who violates any provisions of this Section shall be guilty of a misdemeanor and shall be fined not less than Ten Dollars (\$10.00) nor more than Two Hundred Dollars (\$200.00).

Sec. 14. If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 15. The need of prescribing the qualifications, duties and functions of professional sanitarians in order to render the necessary services for the preservation of the public health and safety creates an emergency and imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and this Rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.
